Additional suggestions/feedback if any:

Makes us easy to understand Even if the subject having full theory.
Ma'am is amazing keep it up, feel privileged to have a teacher who takes this much effort to teach us. Thank you

If ma'am could be a little louder as sometimes she is not audible in the last benches

She has tried very hard to make this theory heavy subject fun and captivating for the students, kudos to her.
This theory subject was more understandable and interesting because of the various games included with teachi
